Belfast and Lisburn Women's Aid provides confidential support, information and emergency accommodation for women and children affected by domestic violence. Our Annual Conference will be a celebration of the organisation's work over the past year and outline how we will move forward as the lead voluntary organisation in the delivery of our specialist support services to help tackle domestic violence.

The morning will see a focus on domestic violence and justice with the afternoon addressing crisis accommodation and supported living. Both sessions will provide the opportunity to hear and question influential speakers.

Cost: £40 per person with refreshments and lunch provided.
